Please use the guidelines on the next two pages to help you provide appropriate information for your nomination. The Performance Awards will be judged primarily on their achievements over the past twelve months – June 2011-May 2012. The Service and Provision Awards will be judged on wider engagement with the community.

A Judging Panel representative of sport in the Borough will judge the nominations received for the Sutton Celebrating Sport Awards.

Please note that nominations for the individual categories cannot be from the nominee themselves or members of their immediate family.

The names of everyone who sends in a nomination will be entered into a prize draw to win £100 of sports vouchers. The prize draw will take place at the Celebrating Sport Awards on 12 July.

The closing date for nominations is Friday 1st June.

For all the junior categories the Judging Panel will draw up shortlists that will be published on the website mid-late June and there will then be a week when people will be able to vote via text for their preferred nominee in each of these categories. The number of votes will be combined with the Judging Panel's scores to determine the winners.
